ALTITUDE = WINES WITH ATTITUDE

Haugen wine list is a curated selection of wines coming from the surrounding regions of the Alps, Europe's massive mountain range, soaring to 15,781 feet at their highest point and running through multiple countries, from France, Italy and Germany into Austria and Slovenia. A wine list to match, drawing from a range of high-altitude regions that dot the Alps but also featuring wines coming from high altitude vineyards around the world.
